Key Characteristics: Create a Strong Core

- **Expand programs to strengthen current successful campus districts and interdisciplinary practices**
- **Infill buildings and additions discretely to “densify” campus core for collegiality, walkability and livability**
- **Preserve open space for inspiration, education and recreation**

Key Characteristics: Reinforce Identity

- **Position Academic Health programs for high access and outreach**
- **Position Engineering, Math and Computing programs to successfully relocate to MMC over time**
- **Position Journalism, Hospitality, Education and Environmental Science programs to strengthen BBC identity**

Key Characteristics: Reinforce Partnerships

- **Focus externally funded growth at the campus perimeter**
- **Reserve MMC partnership sites to meet requirements for high access, high visibility, and flexible opportunities**
- **Reposition EC / partnership sites for highest and best use**
- **Landbank sites at BBC in light of limited access**

DISCUSSION

Focus Group #1 - Key Questions

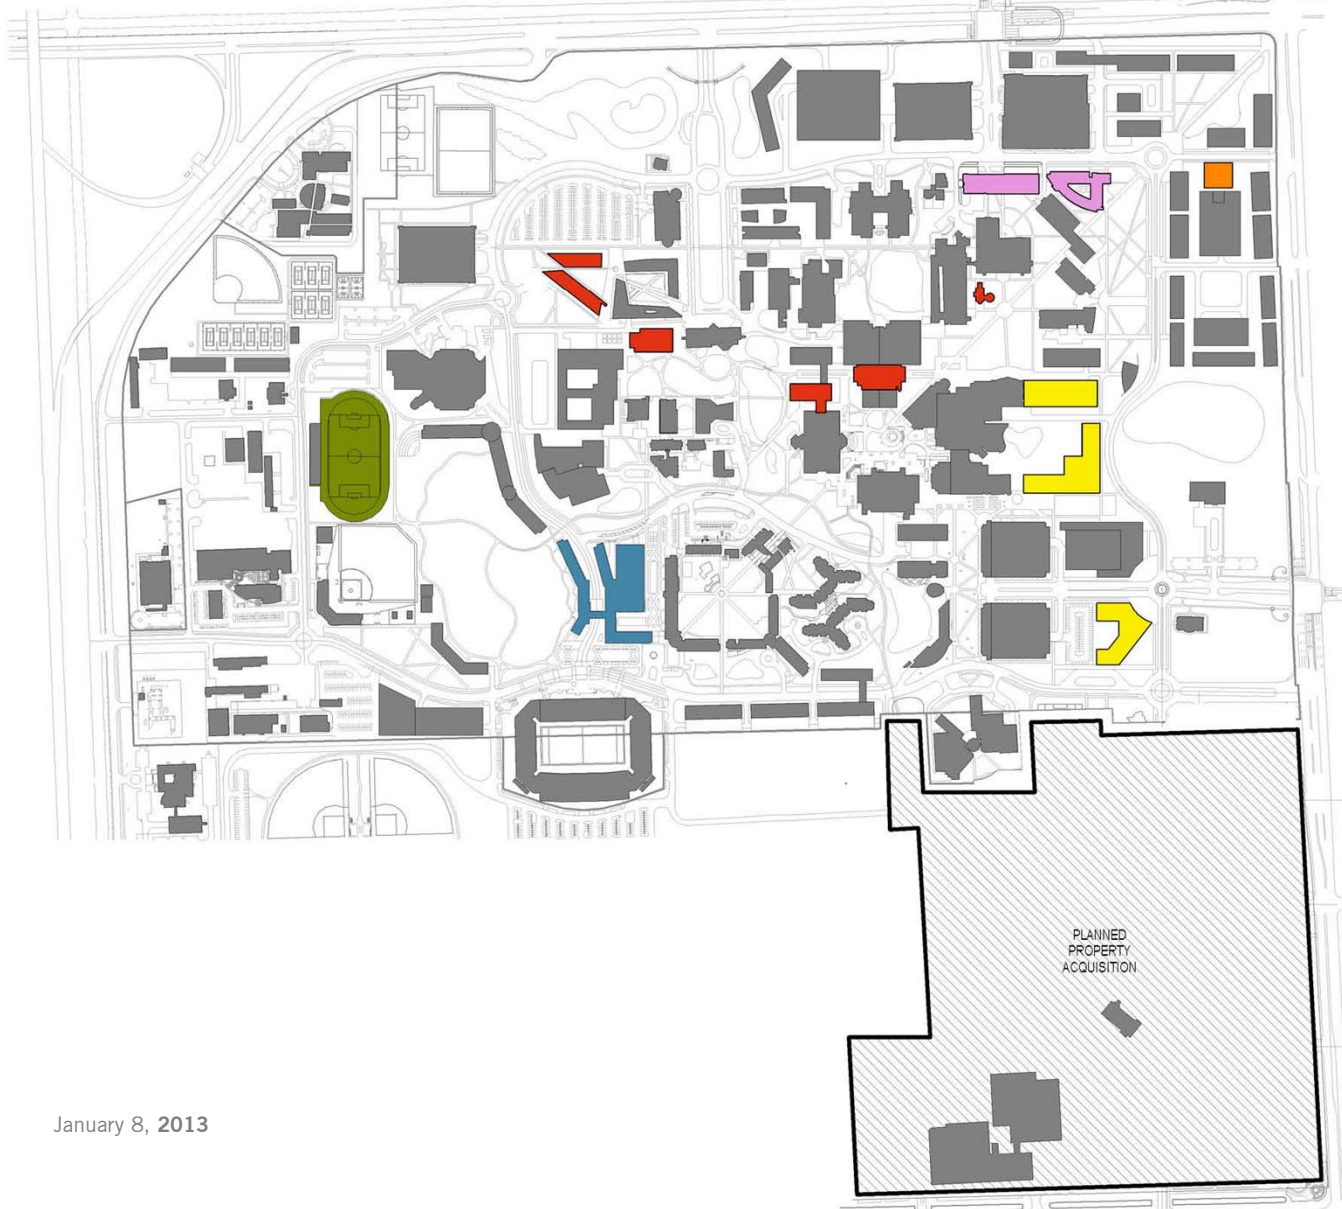

- Can each College create both a home base and an interdisciplinary community?
- Is there flexible area for expansion and partnerships?
- Is there sufficient access to support? Are there preferred hubs (vs Main Street)?
- Is there appropriate perimeter/axes identity?
- Is there appropriate proximity to parking/transit?
- What is the evolving role for the Library and Graham Center?
- Is the academic/research core connected and pedestrian-friendly?
- Does each College have meaningful access to outdoor learning space?
