Key Characteristics: Create a Strong Core

- **Expand programs to strengthen current successful campus districts and interdisciplinary practices**
- **Infill buildings and additions discretely to “densify” campus core for collegiality, walkability and livability**
- **Preserve open space for inspiration, education and recreation**

Key Characteristics: Reinforce Identity

- **Position Academic Health programs for high access and outreach**
- **Position Engineering, Math and Computing programs to successfully relocate to MMC over time**
- **Position Journalism, Hospitality, Education and Environmental Science programs to strengthen BBC identity**

Key Characteristics: Reinforce Partnerships

- **Focus externally funded growth at the campus perimeter**
- **Reserve MMC partnership sites to meet requirements for high access, high visibility, and flexible opportunities**
- **Reposition EC / partnership sites for highest and best use**
- **Landbank sites at BBC in light of limited access**

DISCUSSION

Focus Group #7 - Key Questions

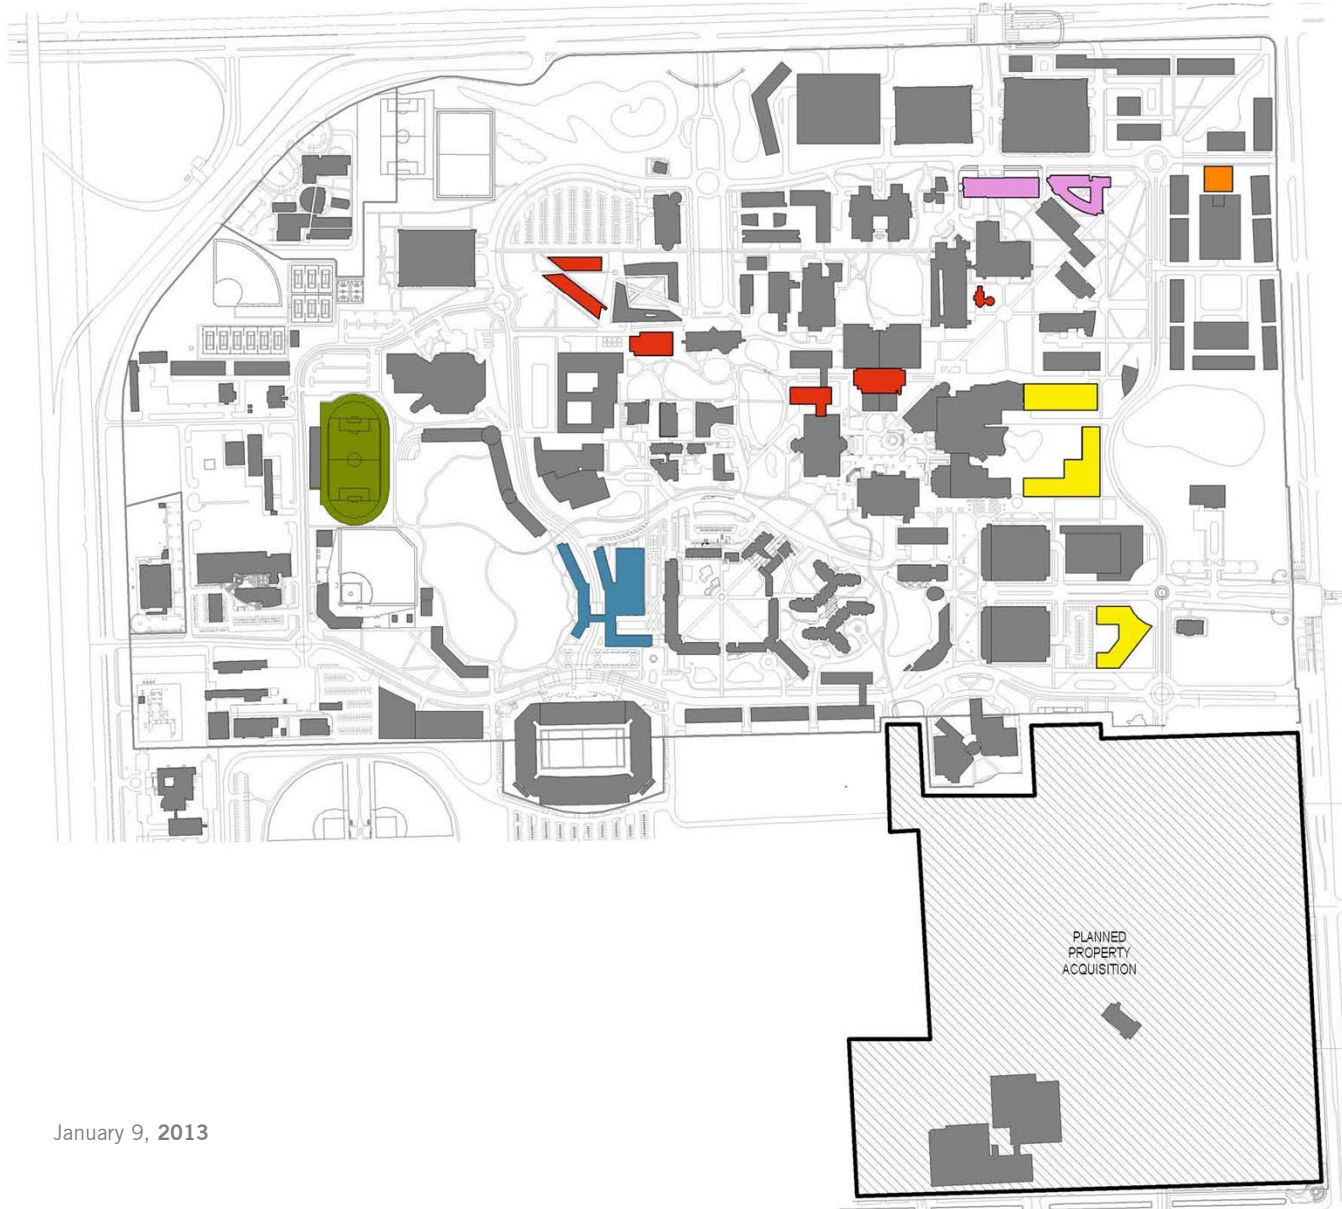

- Is proposed development inviting?
- Do campus development and expanded programs improve community livability.
- Do planning concepts create desirable community redevelopment opportunities.
- Do campus circulation and parking support multi-modal transportation.
- Do concepts establish better connectivity with neighboring communities.
- Do concepts conserve energy, water, waste and open space?
- Do concepts respond to community stormwater management concerns?
