BT-876, SCIENCE CLASSROOM COMPLEX

CM NOTICE OF INFORMATION NO. 1

Changes have been made to the potential project cost in paragraph C) of the instructions on the CMQS form as follows:

C) Attach a letter of intent from a surety company indicating the applicant's bondability for this project. The surety shall acknowledge that the firm may be bonded for each phase of the project, with a potential project cost of $50,000,000. The surety company must be licensed to do business in the State of Florida, must have a Best Rating of "A", and a required financial size of "Class IX." Include a copy of the surety company’s license with the letter of intent.

The previously published version incorrectly stated the potential project cost.
