INTERNATIONAL HURRICANE RESEARCH CENTER BT-895

NOTICE OF INFORMATION No. 1

Location: The Evaluation and Selection Committee decides on the proper rating table to be used based on the type, size, and complexity of the project, as defined on the tables. The distance of the Applicant's office from the project, (as noted on page 6 of the Applicant's PQS) is rated within a **range of 0-20** in accordance with the Location Rating Table A or B (Attachments 8A and 8B) and entered on Schedule B corresponding column.

For this project the committee will evaluate the applicant's location based on Attachment 8B, "LOCATION RATING TABLE B" of PQS "University Evaluation Instructions."
