SERVICES DESCRIPTION

Services Location: Modesto A. Maidique Campus (MMC), Biscayne Bay Campus (BBC), Engineering Center (EC), and Wolfsonian Museum & Annex.

Services Description: This Continuing Services Contract will support the University’s comprehensive program for compliance with the Florida Building Code (FBC), as required by Chapter 553, Florida Statutes, and the current edition of the FBC. These services will be required for the University’s construction program for new, remodeled, renovated and altered buildings. Specific services will include plans review for code compliance and inspection of construction activities per each discipline of the FBC.

Professional Qualifications: Employees of consultants or sub-consultants who are providing these services must have the appropriate State of Florida license to perform building code plans review, and/or building inspections as per the license categories and requirements of Chapter 468, Florida Statutes.

Term of Contract: Any contract resulting from the selection of a professional consultant (or consultants) to provide these services shall require the consultant to be available on an as-needed basis for the Fiscal Year, July 1 – June 30. Two (2) contracts will be awarded to two (2) different firms. This will be a multiple award contract for an initial period of one-year with Owner’s option to renew the contract, at its sole discretion, for additional one-year periods, however, in no event to exceed a total of five successive years.

SELECTION CRITERIA

All information submitted is subject to the Laws of Perjury as set forth in Chapter 837.06, F.S. The following minimum qualifying information is required by an Applicant to be eligible for consideration:

1. Letter of Intent and Summary Introduction narrative highlighting qualifications/legal nature of organization including proposed organization chart.

2. Completed "Florida International University Professional Qualifications Supplement (FIUPQS)." FORMER BOARD OF REGENTS PQS FORMS ARE NO LONGER ACCEPTED. The official FIUPQS forms must be downloaded from the FIU web site at http://facilities.fiu.edu/projects/CodeConsultant.htm. Applications on any other form will not be considered.

3. **GENERAL INFORMATION**

1. Any change in the schedule or other additional information will be posted on the FIU web site [http://facilities.fiu.edu/projects/CodeConsultant.htm](http://facilities.fiu.edu/projects/CodeConsultant.htm). Applicants should check the web site daily. Any question or explanation desired by an applicant regarding this RFQ or any part of the process must be requested in writing to griffith@fiu.edu or via fax at 305-348-0579. Responses to questions and requests for information will be posted on the facilities web site. An effort will be made to respond to all applicant questions; however, the University is not obligated to and may choose not to answer every question. The last day questions or inquiries will be considered for this RFQ is **Thursday, March 11th, 2010 at 12:00 PM**.
2. The University is not liable for any costs incurred by the Applicants prior to the issuance of an executed contract. The University reserves the right to suspend or discontinue the selection process at any time and to reject any or all submissions of Architect/Engineer qualifications without obligation to the respondent. The award of this contract is subject to availability of funds. If additional funding is realized, the University has the option to incorporate additional scope/funding under this contract. Project development including professional services is contingent upon availability of funds.

3. In order to minimize the possibility of unethical pressures or influences on the recommendations of the Selection Committee, direct contact with the committee members is not permitted. The committee members are:

   **Francisco Quintana**, Building Code Coordinator, Facilities Management

   **Sylvia Berenguer**, Director of Construction, Facilities Management

   **Nicholas DiCiacco**, Senior Director, Facilities Management

   **Stephen Hawkins**, Senior Project Manager, Facilities Management

   **Ben Habte**, Construction Auditor, Facilities Management

   The goal of this committee is to assess the Applicants on an equitable basis. Committee members shall serve throughout the screening process until selection is completed. (Committee members may be substituted by the University prior to the short list meeting without further notice).

   The Selection Committee will make a recommendation to the President of Florida International University. **All finalists will be notified in writing of the President’s action.** Upon approval by the President, negotiations will be conducted in accordance with Section 287.055, Florida Statutes.

4. All team members of the selected firm should clearly address each of the selection criteria as appropriate within the submittal package.

5. The results of this screening process will be posted on the FIU Facilities web site at [http://facilities.fiu.edu/projects/CodeConsultant.htm](http://facilities.fiu.edu/projects/CodeConsultant.htm). Any notification of intent to protest must be made within seventy-two (72) hours of posting.

6. Finalists will be notified and informed via email of the interview date and time and will be provided with topics to be covered in the oral interview. The Committee shall be free to ask a Finalist any question it deems relevant to its decision in ranking the Finalists. As outlined in the **Florida International University Professional Qualifications Supplement (FIUPQS)**, in making its decision the Committee shall take into consideration, in addition to the information requested above, the following factors:

   1. **Understanding of the Consulting Service Requirements** – The Applicants are evaluated on their understanding of the requirements and needs of the Owner as demonstrated by their project teams, including consultants. The Applicants shall be rated on the completeness of their understanding of the factors which are unique to the services required, including the thoroughness demonstrated in preparing for the interview.
2. **Approach and Method** – Finalists shall explain their approach, management and methods they will employ to administer in performing their services, including procedures to assure timely performance of the work.

3. **Ability to Provide Service** – The Committee will evaluate the Applicants' ability to meet the Owner's required timetable and to provide for the special or unique requirements of the services required. The Applicants should be asked to discuss their ability to fulfill the consulting service requirements and to describe all other consulting service contracts on which team members are currently involved. Results of the reference checks are considered in this category.

7. Applicants shall not include specialty consultants in their team. Failure to comply with this requirement shall be grounds for disqualification. If the applicant feels that its team will require the services of a specialty consultant, it should indicate for which disciplines it will require specialty consultant(s) according to the instructions in the FIUPQS form.
