

UniversityCity Prosperity Project BT-904

Request for Design-Build Proposals

Addendum 5

June 11, 2015

Notice is hereby given to Short-Listed Design-Build Firms of the following changes to the above-referenced BID/RFP:

You attention is called to this written addendum dated June 11, 2015 which makes the changes indicated to previously issued documents, drawings, criteria, exhibits and other components of the request for proposals..

Information in this addendum supersedes any information previously given, including earlier addenda, that may be in conflict.

Bidders/Proposers must acknowledge receipt of this Addendum by completing and returning to the Procurement Office, by no later than the time and date of the bid/proposal opening. **Failure to do so may subject the bidder/proposer to disqualification.**

_____ Bidder/Proposer

_____ Address

_____ Submitted by (Signature)

NOTICE: Pursuant to Florida Board of Governors Rule 14.023, any qualified applicant who is adversely affected by the university's decision may file a written notice of protest within 72 hours after receipt of this notice. Failure to file a notice of protest within the time prescribed in Florida Board of Governors Regulation 14.023 shall constitute a waiver of the right to protest proceedings.

Item 1 – CAD Drawings Posted on Project Web Page

Design-Build Firms should monitor the Project Website here: <http://facilities.fiu.edu/projects/BT-904.htm> on a regular basis for new information.

Note that updated CAD drawings used in preparing the PDF Drawings issued as part of Addendum 4 have been posted as item “rr. Updated CAD Files 5-2015 (.zip)” under “REQUEST FOR QUALIFICATIONS/REQUEST FOR PROPOSALS.”

Note that the CAD files are in a “zip” compressed folder and are not viewable directly, but must be downloaded/saved to local disk and then extracted. AutoCAD files may be viewed with free viewers that are available online.

Note that the updated Revision 1 “UniversityCity Project Conceptual Plans sheets 2015-04” issued with Addendum #4 are the official Drawings that will be the basis for the Contract NOT the working CAD files.

The CAD files are posted for the convenience of the short-listed Design-Build Firms “as is” without warranty as to their accuracy.

Design-Build firms wishing to utilize the CAD files posted must verify that they accurately reflect what was issued in the official Addendum #4 Drawings.

Item 2 – Question Regarding Change in Budget Received May 26, 2015:

Question. “We are seeking clarification on Addendum # 4. Given the fact that the new bridge is 82’–7 ½” longer than the original design, and also that the contract execution and NTP was pushed out to 11/30/15 (235 days), has the project budget been increased? If so, can you please tell us how much the new budget is?”

Response to Question. – The Maximum Bid Price of \$9,388,076.00 indicated on page 44 of 51 of “g. FIU-DB-RFP-Maxprice” under “REQUEST FOR QUALIFICATIONS/REQUEST FOR PROPOSALS” of the Project Website here: <http://facilities.fiu.edu/projects/BT-904.htm> has NOT changed.

Item 3 – Question Regarding Confidentiality of Design Exceptions / Design Variations Received June 9, 2015:

Question. “We would like to request a design exception / design variation and would like to find out if our requests will be made public and shared with others we are competing against, or would they remain confidential?”

Response to Question. – Responses to requests for design exception / design variations will be made known to all Design-Build Firms simultaneously and will be posted on the Project Website here: <http://facilities.fiu.edu/projects/BT-904.htm>.
