1 - Statement regarding release of CAD drawing files for any and all Conceptual Plans issued as part of the Request for Proposals for the UniversityCity Prosperity Project

By acknowledging receipt of this Addendum, the Design-Build Firm and all members of their team, including but not limited to Architects, Engineers and other design professionals and Contractors, Sub-Contractors and Fabricators understand and agree that data, plans, specifications, reports, documents, or other information recorded on or transmitted as electronic media (including but not necessarily limited to "CAD documents") are subject to undetectable alteration, either intentional or unintentional, due to, among other causes, transmission, conversion, media degradation, software error, or human alteration. Accordingly, all such documents are provided to the parties for informational purposes only and not as an end product or as a record document. Any reliance thereon is deemed to be unreasonable and unenforceable. The signed and/or stamped hard copies of the Architect/Engineers' Instruments of Service are the only true contract documents of record.

2 - Statement regarding issuance of CAD drawing files as part of Addendum 1

It has come to our attention that CAD Drawings for the Brothers to the Rescue Memorial Plaza prepared by NC Office and CAD Drawings for Landscape and Hardscape prepared by Fernandez-Beraud, Inc. were not included with the CAD drawings of TY LIN Conceptual Plans released as part of Addendum 1 by posting on the project website. Design-Build firms should look at the project web page here <http://facilities.fiu.edu/projects/BT-904.htm> for new links "s." and "t." for CAD files under "REQUEST FOR QUALIFICATIONS/REQUEST FOR PROPOSALS." Design-Build Firms wishing to utilize these CAD files may download them from "s. Fernandez-Beraud Landscape-Hardscape CAD" and "t. NC-Office BTTRMP Siteplan – CAD" on the web page.
