

FIU-Sweetwater UniversityCity Prosperity Project  
Design-Build Request for Proposals  
SECOND Pre-Proposal Meeting  
January 22, 2015

A SECOND Pre-Proposal Meeting for Short-Listed Design-Build Firms working on the FIU-Sweetwater UniversityCity Prosperity Project has been scheduled for 9:00AM on Thursday January 22, 2015 at The Modesto Maidique Campus Room CSC 1123. This is the same room the first Pre-Proposal Meeting was held.

The meeting will be open to the public and Selection Committee Members will be attending. Design-Build firms are URGED to attend as new information regarding the Project will be presented.

1. **Bridge Extension:** Proposed (NOT approved as of this writing) extension of the bridge to the North Side of the Tamiami C4 Canal. (20 Minutes)
2. **Brothers To The Rescue Memorial Plaza:** Explanation of the probable elimination of the Brothers To The Rescue Memorial Plaza work designed by NC Office which is now planned to be executed by the City of Sweetwater. (10 Minutes)
3. **Terminal Access Concept 1:** The possible impact of conceptual transit study done by Miami-Dade Transit for access to the north side of PG6 and why this may result in elimination of Additive Alternate 2 – the two AIMS Platforms at PG6 (not the one at PG5). (10 Minutes)
4. **School of Architecture Studies:** Presentation of School of Architecture work on the AIMS Platform and 109<sup>th</sup> Avenue Plaza related to the TIGER work for consideration by Design-Build Firms in development of their proposals. (20-30 Minutes)
5. **Schedule:** Potential changes to the schedule. (10 Minutes)
6. **Q & A:** Question and answer session. (20-30 Minutes)

The meeting is expected to be about 2 to 2-1/2 hours long.
