**CONTINUING SERVICES CONTRACTS FOR
CIVIL ENGINEERING AND SURVEYING SERVICES
2008-2009**

NOTICE OF INFORMATION No. 1

One contract will be awarded for civil engineering services and one contract for surveying services. Two separate selection processes will be conducted on the dates indicated in the "Project Fact Sheet."

Firms desiring to provide professional services shall apply by letter specifying the discipline for which they are applying. If a firm is interested in applying for both Civil Engineering and Surveying Services, two separate sets of application packages are required.
