

NOTICE OF INTENT TO RE-ISSUE DESIGN CRITERIA DOCUMENTS TO PRE QUALIFIED APPLICANTS

On January 30, 2007 the evaluation and selection committee reviewed information provided by pre qualified applicants and determined that the information submitted on January 19, 2007 was not responsive to the project design criteria. In conclusion, the committee decided to revise the criteria and re-issue revised criteria to each pre qualified applicant.

Revised criteria documents will be re-issued as soon as available, expected within the first week of February 2007.
